STICK TOGETHER

Holidays like Halloween are the best when spent with people you love. Since this time of year can be spooky or scary, we should all stick together! Trick-or-treating together and sharing your candy is a great way to show others you care about them and to spread joy.

Use this activity sheet to celebrate friendship this spooky season!

Don't forget to share your activities on social media!

GET STARTED!

1. Halloween is a perfect holiday to celebrate with friends. What better way to stick together, when things get a little scary, than to dress up together and share your treats! Whether you're trick-or-treating, bobbing for apples, or waiting for the Great Pumpkin, this activity sheet helps you recognize your community and celebrate friendship!
2. Take a moment to reflect on your community of friends. Who is always there for you? Who helps you out when you get scared or sad?
3. Sticking together means waiting for the Great Pumpkin together, even if he never shows up! On the next page, draw you and your friends in the pumpkin patch and color it in. You can include whoever you want! Then, you will have a portrait to remind yourself of your amazing community that sticks together!
