LUCY’S PAPER FOOTBALL TOURNAMENT

1. Fold a piece of paper in half (hot dog style).
2. Fold the top corner down to the other side to create a triangle at the top.
3. Continue folding down into triangles until just a small rectangle remains at the bottom.
4. Tuck in the two corners of the rectangle and push them into the triangle. You now have your paper football!
5. Grab a friend or family member and sit across a table from them.
6. Place the paper football flat on the table and take turns pushing it towards each other - if the football hangs a bit off the table but stays on without falling, you've scored a touchdown (6 points).
7. When you get a touchdown, have your opponent set up “goal posts” by making L-shapes with their thumb and forefingers and touching their thumbs together. Place one corner of the football on the table and hold it upright with your finger. With your other hand, try to flick the football through the goalposts for a field goal (1 bonus point)!
8. First to 21 points wins!
